RV COLORS

THE AVONITE® DIFFERENCE

AVONITE™ SURFACES

Avonite® offers the most unique and beautiful surfacing options in the most hygienic and durable materials available for use in an RV. And our new color palette helps turn your amazing designs into a big wide-open road of possibilities.

RECREATIONAL VEHICLES

The Avonite Difference

- Colors remain true, and won't fade or dull in sunlight.
- Designs and colors remain consistent throughout the materials.
- Avonite solid surface is seamless – no grouting or welding.
- Bio-Lok® surface naturally resists the penetration of microorganisms.
- Easily cleaned and sanitized.
- Easily renewed by buffing or sanding.
