

CLEARLY Colorful.

CHROMATIX™

Color outside the lines with the Chromatix™ Program from the STUDIO Collection®.

Now you can get our STUDIO Collection® Petals, Glass, Sea Glass Series or our recently launched Whimsy Series in your choice of any color. There are no boundaries when it comes to the endless combinations of color and light, that can make your design breathtaking and memorable.

Share your vision with your customers and help them make a powerful statement in their space. First, select your Design Series. Second, select any color, from anywhere. Pantone®, Ral® are commonly used Color Industry Standards, but feel free to supply any swatch for color matching. Then, officially request your sample on line, and receive up to 2 free sample iterations for review.

SERIES

The STUDIO Collection® proudly welcomes the WHIMSY Series as its' latest addition to the Chromatix™ Family of Design Resins. WHIMSY is an evolution of the Petals Series, where layers of crushed petals, create a unique, intense texture to this visually "fun" material. The cool neutral background remains consistent, while the accent color, is completely up to you.

Recommended Finish:
Satin or Gloss

Our Petals Series provides translucency, and depth in a simply stunning design. Artisan crafted, this resin material appears to be filled with rose petals, which creates a welcome addition of sweeping nature-inspired texture to any space.

Recommended Finish:
Satin or Gloss

Our Glass Series provides unmatched translucency and light refraction to the world of design. Filled with crushed glass-like particles, this series is known for the depth, and luminosity it provides any space. Go Bold, or subtle with this design.

Recommended Finish:
Satin or Gloss

Our Sea Glass Series is a stunning translucent specialty design material meant to mimic that of freshly tumbled glass found on the sea shore. This soft, frosted "feel" creates a fresh and modern accent, to any environment.

Recommended Finish:
Satin
